

TECHNICAL DATA SHEET - 893011 - OUD FRAGRANCE

Fragrance Compound

CAS number:

EU number:

FEMA number:

Molecular formula:

Annex VI ref:

Reach registration:

Flash point: >60°C

Melting point: Data not available

Boiling point: Data not available

Heavy metals: Material tested for heavy metals according to Quality Schedule. Not all batches tested. Quality schedule selects a representative number of batches for testing.

Pesticides: Not tested

Natural status: This material is not natural according to EU Directive 1334/2008

Kosher status: This material is suitable for Kosher, but not certified as such.

Halal status: This material is suitable for Halal use but not certified as such.

Food grade status: This Material is not for use in foods

GMO status: Contains no modified material according to 1829/2003/EC and 1830/2003/EC

Shelf life: 24 months when stored correctly

Storage: Store in full, dry, airtight containers between 5 - 25°C, away from sources of heat and light, in original packaging if possible

Molecular mass:

Food allergens: This material is free from recognised food allergens as defined by EU regulation 1169/2011

TSE statement: This material is a blend of synthetic and botanic origin and therefore does not contain any animal derived material, neither has it been in contact with any animal derived material

Additives: This material contains traces of BHT

Food suitability: This material is not for use in foods.

Fragrance Sensitisers (typical values):

None found:	X
Amyl cinnamal:	
Benzyl alcohol:	
Cinnamyl alcohol:	
Citral:	
Eugenol:	
Hydroxycitronellal:	
Isoeugenol:	
Amyl cinnamyl alcohol:	
Benzyl salicylate:	
Cinnamal:	
Coumarin:	
Geraniol:	
Anise alcohol:	
Benzyl cinnamate:	
Lylal:	
Farnesol:	
Lilial:	
Linalool:	
Benzyl benzoate:	
Hexyl cinnamal:	

Citronellol:	
Limonene:	
Methyl 2-octynoate:	
Alpha-isomethyl ionone:	
Oakmoss extract:	
Treemoss extract	

The information in this Technical Datasheet is correct to the best of our knowledge, information and belief at the date of its publication and is, in our opinion consistent with the state of technical knowledge available at that date. However, Augustus Oils Ltd cannot accept liability for loss, injury or damage which may result from use of this material or the information contained in this sheet.
